See Summary of Record of Interview requirements on reverse side or on attached sheet.

*Applicant explained the novelty of their product and provided reasoning that the formulation as claimed does not contain any buffers. It was disclosed that the pH is obtained by using a strong acid only. It was also stated that the formulation does not contain any preservative or other similar components. Some comparisons of specifications were discussed. Amendments which could further distinguish instant claims from prior art were suggested.*

Examiner Note: You must sign this form unless it is an Attachment to a signed Office action.
